CLEARINGHOUSE RULE 08-044

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

- a. The amended title of ch. PI 37 should be shown with the new material underscored.
- b. In s. PI 37.02 (8), the first word in the second sentence should be in quotation marks.

4. Adequacy of References to Related Statutes, Rules and Forms

The rule uses “42 USC 1758 (6)” throughout the rule to refer to eligibility for a free or reduced price lunch. The analysis uses “42 USC 1758 (b).” The correct cite is the one in the analysis. It should be noted that the relevant statutory section, s. 115.42 (2) (c), Stats., also uses the incorrect citation; however, the Legislative Reference Bureau is aware of the error and will either prepare corrective legislation or insert a note in the statutes regarding the citation. The department might mention the incorrect statutory reference in the analysis.

In addition, the attached forms will also need to be modified to reflect the correct citation.
